Continued Discussion

Over the last few years, the Community and the City have worked intently together to develop a cohesive and inclusive vision for the future of Santa Monica.

The Planning and Community Development Department invites you to attend the City Council Meetings to share your thoughts on the Land Use and Circulation Element (LUCE) strategy framework.

Please join us on June 10 for a presentation and public comments.

Join us again on June 17 for the City Council's continued discussion on the LUCE.

The entire Santa Monica community is encouraged to participate in **Shaping the Future!**
